Note: The discount % displayed is applicable to the premium calculated for your current scheme.

A Government Levy applies to all health insurance policies. This calculates at €438.00 for this policy. The total net subscription figure is net of all tax reliefs and takes into account a portion of the Government Levy. \*REC is the Risk Equalisation Credit payable by the government on behalf of members over the age of 60. Please refer to your rules/check-up documentation for information on Lifetime Community Rating (LCR)
